

RESOLUTION 66- 2022

A RESOLUTION IMPOSING A TEMPORARY MORATORIUM ON WASHINGTON COUNTY'S PROCESSING OF APPLICATIONS FOR ASSOCIATED TRANSMISSION LINES IN ALL UNINCORPORATED PORTIONS OF WASHINGTON COUNTY

WHEREAS, on May 24, 2022 via Resolution 55-2022, the Board of County Commissioners imposed a temporary moratorium until April 16, 2022 on the approval for regulations for transmission lines to provide Planning and Zoning and County Commissioners time to prepare application forms and internal procedures; and

WHEREAS, on January 25th, 2022 via Resolution 50-2022, the Board of County Commissioners imposed a temporary moratorium until February 25th, 2022 on the approval for applications for wind and solar facilities to provide County staff time to prepare application forms and internal procedures; and

WHEREAS, on December 21st, 2021 via Resolution 108-2021, the Board of County Commissioners imposed a temporary moratorium until January 26th, 2022 on the approval for applications for wind and solar facilities to provide County staff time to prepare application forms and internal procedures; and

WHEREAS, on October 26th, 2021 via Resolution 97-2021, the Board of County Commissioners imposed a temporary moratorium until December 27th, 2021 on the approval for applications for wind and solar facilities to provide County staff time to prepare application forms and internal procedures; and

WHEREAS, on October 5th, 2021 via Resolution 96-2021, the Board of County Commissioners imposed a temporary moratorium until November 4, 2021 on the approval for applications for wind and solar facilities to provide County staff time to prepare application forms and internal procedures; and

WHEREAS, on October 5th, 2021 via Resolution 96-2021, the Board of County Commissioners imposed a temporary moratorium until December 27th, 2021 on the approval for transmission lines to provide County staff time to prepare application forms and internal procedures; and

WHEREAS, the Board of County Commissioners anticipates that given the requirements of additional review and research for the approval of applications for wind and solar facilities and transmission lines by the County they will not be effective sooner than February 25th, 2022; and

WHEREAS, the Board of County Commissioners therefore desires to extend the temporary moratorium for approval for applications for wind and solar facilities and transmission lines to February 25th, 2022.

NOW BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF WASHINGTON COUNTY, COLORADO:

1. All findings set forth in Resolution 96-2021 are hereby incorporated pertaining to transmission lines.
2. The moratorium set forth in Resolution 96-2021 for approval of transmission lines is hereby extended to June 30, 2022 unless earlier terminated or further extended.

The foregoing resolution was presented by Commissioner Laybourn for its adoption. Motion was seconded by Commissioner Wells and upon call of the roll, all votes being aye, the Resolution was duly adopted.

DATED this 24th day of May, 2022.
