GRAND MARSHALS CLAUDE and RUBY RINKER

Lifelong Washington County residents Claude and Ruby Rinker were chosen to serve as the 2023 Eastern Colorado Roundup Grand Marshals. Unfortunately, Claude left his earthly home before having the honor to serve in this capacity.

Both were born in Akron, raised in Washington County and graduated from Akron High School. Claude was a standout athlete, competing in football, basketball and track. During his junior year, he took a bus to Missouri where he had the opportunity to represent Washington County 4-H as a delegate. Ruby belonged to the Jack and Jill 4-H Club, where her muffins and record book won a Grand Champion ribbon at the State Fair one year.

Following high school, Claude spent time doing tank work for one year in Wisconsin, California, Kansas and Virginia, before he decided it was time to return home. Claude received a scholarship to play basketball and baseball at Trinidad Junior College, and spent the next two years in Trinidad as a starter for both teams.

Work took Ruby to Denver, where she spent one year. She, too, came home shortly after and began working for Mr. Floyd Reese in the County Assessor's Office.

Claude was drafted into the Army in 1959. After basic training, he served in Germany and had special service guarding the Redstone Missile. His service was extended during the Berlin Crisis. Claude was later an electrician's helper for a short time in Denver, and then returned to Akron and began working for Dave Davisson at Dave's Welding.

Claude and Ruby Jones were married in 1968 and in December of that year, purchased the welding shop from Pauline Davisson, renaming it C & R Welding. Claude did shop and portable welding for 25 years, owning a reputation for honesty and working whenever called, 24/7.

Ruby did field assessing for Bill Chappel, and also spent time doing the welding books, taking phone orders for Claude and

selling parts. Later, Ruby went to work at the CSU Cooperative Extension Office as a secretary for Dick Travis, Bessie Whitmore, Stan Pilcher and later, Gisele Jefferson and Peggy Bowland.

When Claude broke his hip in a horse accident, welding eventually became too hard and he closed up shop and went to work for Duncan Oil in the office and delivering gas. In 1989, the two purchased Ruby's Floral and Gift Boutique, which they owned and operated for 24 years. After Claude retired, he helped neighbors with harvest work. Whenever neighbors or friends needed a helping hand with anything, Claude loved to be the help they called.

Through the welding shop and flower shop, they gave donations and support to Akron, Otis, Arickaree, and Woodlin school. They purchased animals at the 4-H livestock sale, sponsored the sheep catch-it contest, sponsored a beef project for a hard-luck 4-H boy, sponsored halters in the 4-H horse contest, sponsored a centerpiece for the Queen's luncheon and a dozen roses to the Lady In Waiting and donated a dozen roses to the fashion revue winner. In 2006, Claude and Ruby were awarded the Friend of 4-H award. Four years later, in 2010, Ruby was recognized for clerking the 4-H livestock sale for 35 years.

Claude always supported Ruby in whatever she chose. She was the Republican Precinct 2 Caucus Chairman for six years, and three of those years as a State delegate. The couple was also weather watchers for Washington County and the Denver weather channel for about 45 years.

The couple has attended Bethel Union Church for 50 years, where they are members. Ruby taught Sunday and Bible school when her children were small, and she was on the building committee when the church was remodeled.

The Rinker family are still sponsors of belt buckles for the Buck and Jim Jones Memorial Team Roping at the Eastern Colorado Roundup.

The couple has two children, Corey (Cassie) Rinker and Cathy (Kevin) Dutton. They are also proud grandparents to Kade (Kassidy) Dutton and Cash and Carlie Rinker. Claude and Ruby have loved supporting their kids' and grandkids' school and sporting events. With the birth of their great-grandson, Kolton Dutton, eight generations of the Jones family have lived continuously in Washington County.

The Eastern Colorado Roundup is intended to be a positive family learning and entertainment experience. Participants and attendees are expected to conduct themselves in a professional, moral and ethical manner. to the best quilt entry from a first time exhibitor

Quilting Special Rules:

- All quilted items must be finished and ready for use.
- Quilts made entirely by one person will be judged separately from Duet/Group entries.
- **A Duet (two person) or Group quilt is defined as a quilt made by one person and quilted by someone else. Quilting done by a quilting group or commercial quilter are in this category. Any fair premiums earned will be paid to the first name on the entry – the individual who made the quilt top.**

- Classes may be separated by quilting method if there are three or more similar items: hand quilted, tied, machine quilted, or quilted by other person/group.

Quilting Definitions

Duet Quilt is a quilt constructed by one person and quilted by someone else.

Art Quilt is a contemporary artwork of original design involving the creative expression and exploration of various processes, such as dyeing, printing, painting, stitching, embellishing, weaving, and quilting. An Art quilt does not follow traditional block lines.

Memory Quilts are a way of remembering or celebrating family or group history, the life of a loved one, personal milestones, or an important event in life. Materials used can be clothing, photos, memorabilia, etc.

Applique Quilts use applique technique as the primary feature. The definition of applique is sewing of smaller pieces of fabric onto a large piece or whole fabric. Applique quilts can include other quilting techniques in a secondary role.

Modern Quilts are defined as quilts that are functional, often include bold colors, and are inspired by modern design. Minimalism, asymmetry, expansive negative space, and alternate grid work are often a part of modern quilt composition, as are improvisational piecing and solid fabrics.

Whole Cloth Quilts – The top layer of the whole cloth quilt is made from a single piece of fabric. No patchwork or applique is used in the quilt design. The appearance of a whole cloth quilt relies on the quilting motifs that are chosen, and quilting stitches are usually intricate and closely spaced.

Baby Quilt is defined as a small quilt made to fit easily in a crib using any variety of quilting techniques.

Miniature Quilt is no larger than 24 inches x 24 inches, must reflect an overall reduced scale in piecing, applique, pattern, and binding.

Machine Quilting is quilting with any type of machine – home sewing machine or long-arm quilting machine.
