GRAND MARSHALS

TOM AND SUE QUINT

The Eastern Colorado Roundup is proud to recognize Tom and Sue Quint as the 2025 Grand Marshals for their steady involvement and long-time support of the county fair and youth programs in Washington County.

Tom, a native of Merino, Colorado, and Sue, who grew up near Wray, moved to Akron in 1982, when they purchased the ranch they still call home. Their involvement with the fair began when their oldest children, Justin and Jennie, joined 4-H and continued for over 30 years.

Over the years, Tom and Sue served as leaders of the Country Club 4-H club and could be found helping in nearly every aspect of the fair, from rodeos to the livestock barns, show rings and the sale arena. They were volunteers with the Wednesday Night Riding Program and supported rodeos by providing livestock, equipment, and

their time. Tom served as the Calf Riding Superintendent, and Sue took on the role of Royalty Coordinator for several years.

Through their ranch, Rocking Anchor Ranch, they quietly sponsored numerous belt buckles and awards for fair events, as a way to support and recognize young participants. Their presence at the fair has been steady and dependable, driven by a quiet commitment to the community.

Tom and Sue raised four children—Justin, Jennie, Jessica, and Josh—and now enjoy being grandparents to seven.

“We’re truly honored to be selected as Grand Marshals. We’re grateful to the fair board for this recognition and want to thank all the volunteers, families, and participants who’ve made the Eastern Colorado Roundup such a special part of our lives over the years.”

Congratulations to Tom and Sue!

Come join us at the Parade on Friday, July 25 at 10:00 a.m. to help them celebrate.

Quilting Definitions

Professional A professional will be referred to as one who receives income as an instructor or has designed and sold patterns and/or had done custom quilting, either hand or machine, for others for a total value of \$300 or more.

Duet Quilt is a quilt constructed by one person and quilted by someone else.

Art Quilt is a contemporary artwork of original design involving the creative expression and exploration of various processes, such as dyeing, printing, painting, stitching, embellishing, weaving, and quilting. An Art quilt does not follow traditional block lines.

Memory Quilts are a way of remembering or celebrating family or group history, the life of a loved one, personal milestones, or an important event in life. Materials used can be clothing, photos, memorabilia, etc.

Applique Quilts use applique technique as the primary feature. The definition of applique is sewing of smaller pieces of fabric onto a large piece or whole fabric. Applique quilts can include other quilting techniques in a secondary role.

Modern Quilts are defined as quilts that are functional, often include bold colors, and are inspired by modern design. Minimalism, asymmetry, expansive negative space, and alternate grid work are often a part of modern quilt composition, as are improvisational piecing and solid fabrics.

Whole Cloth Quilts – The top layer of the whole cloth quilt is made from a single piece of fabric. No patchwork or applique is used in the quilt design. The appearance of a whole cloth quilt relies on the quilting motifs that are chosen, and quilting stitches are usually intricate and closely spaced.

Baby Quilt is defined as a small quilt made to fit easily in a crib using any variety of quilting techniques.

Miniature Quilt is no larger than 24 inches x 24 inches, must reflect an overall reduced scale in piecing, applique, pattern, and binding.

Machine Quilting is quilting with any type of machine – home sewing machine or long-arm quilting machine.
