NOTICE OF PUBLIC HEARING

WASHINGTON COUNTY

PROPOSED PRIVATE-USE TRANSMISSION LINES, AND SOLAR REGULATIONS

Notice is hereby given that the Board of County Commissioners will hold an open public hearing for proposed private-use transmission line regulations and proposed solar regulations for Washington County. The proposed regulations set forth solar farm and private-use transmission line regulations for future projects in Washington County. The proposed regulations are subject to revision up to and including the time of final adoption. The proposed regulations are available for inspection by the public in the Commissioner's Office at 150 Ash Avenue, Akron Colorado 80720 during normal business hours. The Board of County Commissioners will hold the open public hearing for the Private-Use Transmission Lines at 9:15am on August 26th, 2025 and for the Solar Regulations at 9:45am at the old Washington County Courthouse at 150 Ash Avenue Akron, Colorado 80720.

All interested persons within the County are invited to attend this public hearing. In addition, persons may review the proposed regulations and file any objections to the proposed regulations at any time prior to the final adoption of the regulations by the Board of County Commissioners. Written comments received by the County will also be reviewed at the public hearing.
